DUBROVNIK

## TERROIR — OUR FOOD.

*Our culture and style is deeply rooted in our Dalmatian birthplace and our essence is close to home. Hence, you will find local produce, dishes and heritage (granted, with an over-obsession of terroir) with Portrait signatures. What we are really trying to bring to you are just great tastes in a great space – all delivered with supreme service, a big heart and an even bigger smile. We are Dalmatians.*

*Locally grown food is just what it sounds like, food which is grown near us. We are indebted to our local growers for their commitment to excellence in helping us provide a real taste of coastal Croatia. We pride ourselves on stocking some of the finest artisan cheeses that our region has to offer. We are always on the hunt for more bespoke products that are hand crafted and artisanally created. We want you to experience the wealth and depth of real local food. The best ingredients, lovingly grown, prepared and served with passion and care.*
